Design figma Url	**https://www.figma.com/file/1apQsRebsmW03ZyxG5LvMX/Leiss-%26-Hendrix-Site-Design**		

Submit Date: 09-06-2023

Issue1: The first thing we notice after accessing this website is that its logo doesn't match the Figma design.

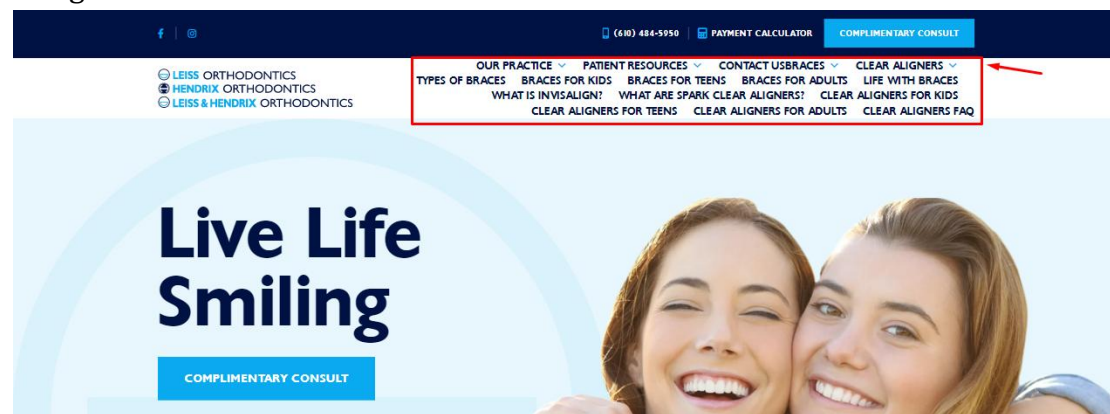

Description

1) Go to URL (https://qa.orangetoolz.net/)
   Observation, There will be a logo and to the right of it the LEISS & HENDRIX at the top and right below that is ORTHODONTICS.

   Severity: High.

   Priority: High.

Issue2: The navigation menu bar of this website does not match to Figma's design.

Description

1) Go to URL (https://qa.orangetoolz.net/)

Observation, This navigation bar will have four options, where three are drop down. Here one drop down button is missing,

OUR PRACTICE˅ ORTHODONTICS˅ PATIENT RESOURCES˅ CONTACT US.

Severity: High.

Priority: High.

Issue 3:
There is a logo problem in the navigation of this sticky header. There are also issues with the navigation menu bar options.

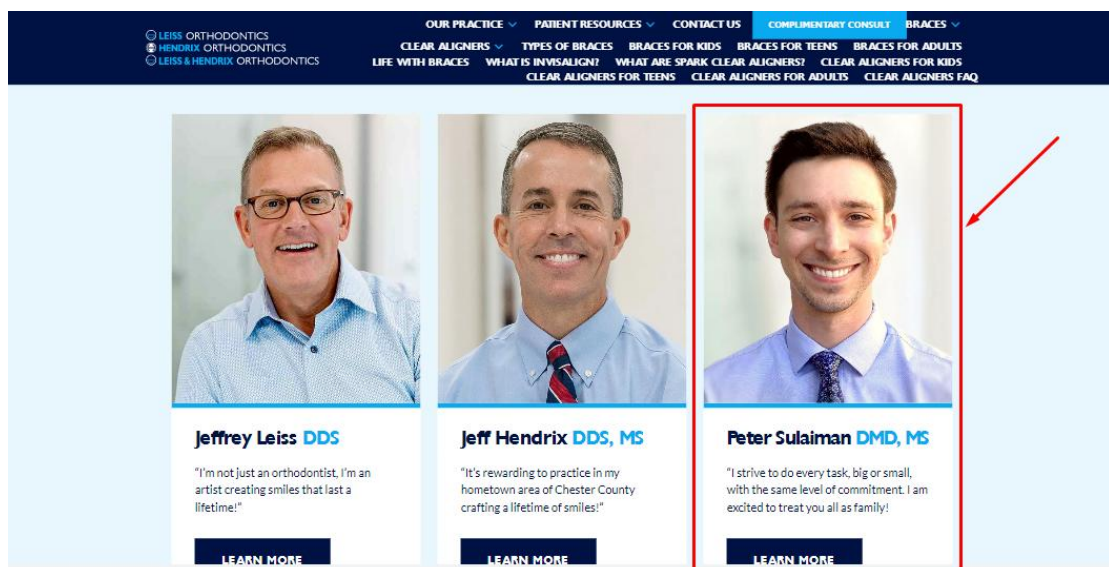

Description

1) Go to URL (https://qa.orangetoolz.net/)
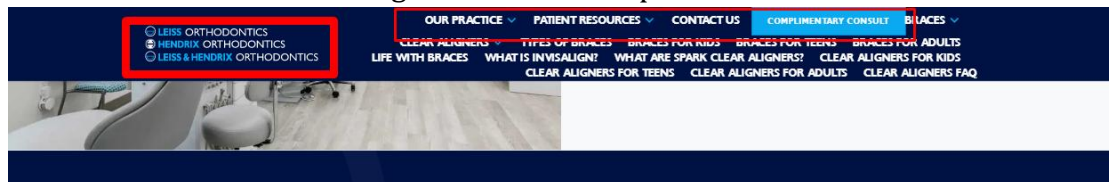

2) Scroll down a bit.

Observation, This sticky header navigation bar will have a logo on the left side and three drop down options and two (CONTACT US, COMPLEMENTARY CONSULT) button options on the right side. Which can be seen in the figma design.

Severity: High.

Priority: High.

Issue 4: This column is Extra.

1. Go to URL (https://qa.orangetoolz.net/)
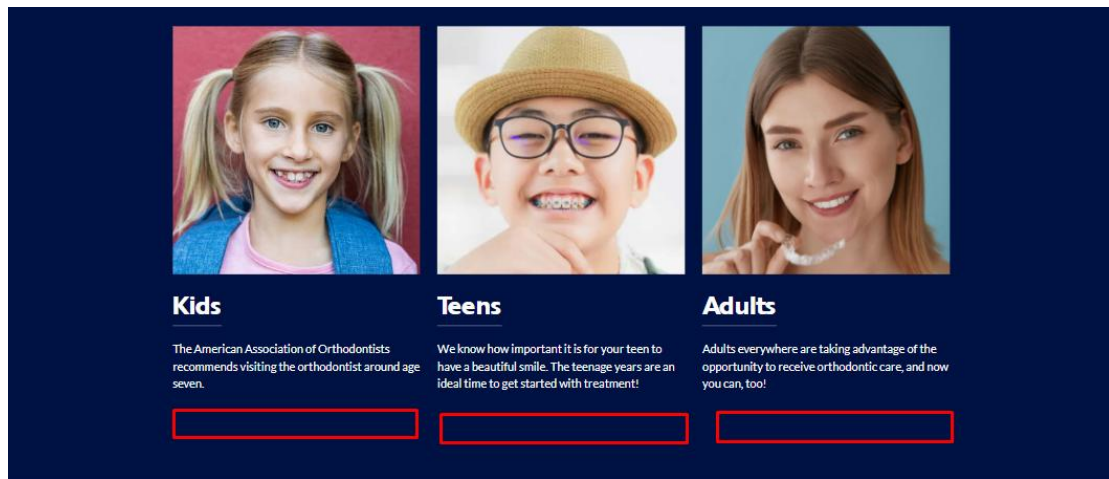

2. Scroll down where is **Meet Our Doctors** Section.

Observation, According to Figma Design, the requirement here would be two pens. But here is another column.

Severity: High.

Priority: High.
